

Sinfonia®

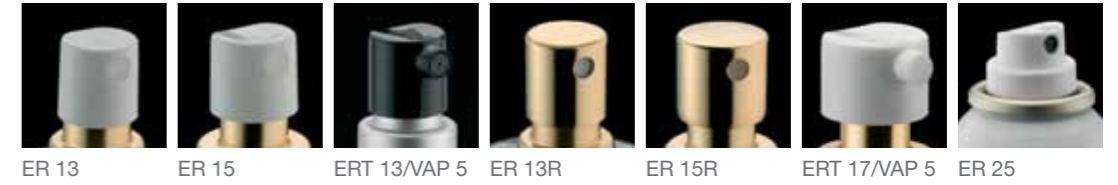

Sinfonia lets you make your mark, especially in an ever-changing market. With Sinfonia, finding the right pump to fit your fragrance design has never been easier. Distinct and versatile, Sinfonia is available in a wide range of dimensions, finishes, spray angles and outputs. Customize your look and product delivery with crimped, screw-on and snap versions to satisfy your brand's needs. Avoid accidental depression of the actuator with aluminium and plastic caps. No matter what your fragrance needs to say to the market, say it with Sinfonia.
