

First impressions don't get a second chance.

COSMETICS & LUXURY FOLDING CARTONS **MWV**

We design and produce folding cartons on a higher plane. We serve the world's elite cosmetic brands and the giants in consumer products, and we've earned the well-deserved reputation of delivering innovative and top quality products to very demanding customers.

We are experts at the kinds of structural and graphic designs that create elegance, effects and an overall image that defines what's inside. Unwavering attention to detail is what you can expect. Ongoing investment in plant and operating systems assure that we continue to provide the highest levels of quality and reliability in our industry.

Features and Benefits

Flexible Printing Options

Premium quality offset, flexo and silkscreen printing are available.

Decorative Techniques

We offer UV gloss, semigloss and matte varnishes, as well as many specialty and special effect finishes.

Exceptional results on metallized Mylar™ laminated substrates and outstanding gold and silver annilox printing are available.

Both hot and cold stamping and multilevel embossing and debossing help to create strong visual impressions.
