mww.com

August 1, 2010

Interested parties:

Effective August 1, 2010, please be advised of the following as it relates to paperboard produced in the U.S. by MeadWestvaco's Marht Mill, Cottonton, Alabama; Covington Mill, Covington, Virginia; and Evadale Mill, Evadale, Texas:

Under SFI Certification: BV-SFICOC-US08000163

Category of Origin: contains a minimum of 10% certified forest content and 90% certified fiber sourcing.

This is in compliance with Section 4 Rules for Use of SFI On-Product Labels, Sustainable Forestry Initiative, January 2010.

Please feel free to contact me should you have any questions.

Sincerely,

Joseph C. Lawson  
Global Director, Sustainable Forests and Forest Products  
MeadWestvaco
